Research Interests

Reinforcement learning applications, reinforcement learning from human preferences, deep learning and human-in-the-loop learning

Education

Ph.D. in Supply Chain Management

Cologne, Germany

UNIVERSITY OF COLOGNE

Since Oct. 2021

- · Research on applications of human-in-the-loop reinforcement learning
- · Relevant coursework: Machine Learning, Introduction to Reinforcement Learning & Deep Learning, Statistical Inference, Microeconometrics
- Expected graduation date: end of 2024

B.Sc. in Mathematics, Minor in Computer Science

Hagen, Germany

FERNUNIVERSITÄT HAGEN

Since Apr. 2021

· Expected graduation date: 12/23

M.Sc. in International Management (CEMS)

Cologne, Germany

University of Cologne

Oct. 2018 - Jan. 2021

- Average grade: 1.2, among the top 5% of graduates
- Exchange semester at Rotterdam School of Management

B.Sc. in Business Administration

Cologne, Germany Oct. 2015 - Feb. 2018

University of Cologne

- Average grade: 1.2, among the top 1% of graduates
- Summer school in New York in 2016

Experience

University of Cologne Cologne, Germany

Teaching Assistant Since Oct. 2021

- Supervision of bachelor's and master's theses
- · Graduate level courses: Python programming & machine learning course, supply chain research seminar
- · Organizing committee of the international conference "CEMS Research Seminar on Supply Chain Management"

REWECologne, Germany

Data Science Intern

Apr. 2021 - Oct. 2021

- Developed a transformer-based classification model to automatically allocate 100,000 products based on their names to product groups with human-expert level accuracy
- Developed a machine learning model to forecast sales as control group for field experiments
- Research project on improving product availability through deep learning

HKCF Corporate Finance

Cologne, Germany

Consultancy Intern Feb. 2018 - Apr. 2018

• M&A and debt financing projects

Skills

Programming Python, ŁTFX, SQL, Git

Frameworks TensorFlow, NumPy, Pandas

Languages English, German

Honors & Awards

Since 2021	PhD Scholarship , Cologne Graduate School in Management, Economics and Social Sciences	Cologne, Germany
2015-2020	Scholarship, "Deutschlandstipendium" for gifted students	Cologne, Germany
2006-2014	5-time award winner, Mathematical Olympiad, state-wide round	Germany
2006-2014	8-time award winner, math competition "Mathematical Kangaroo"	Germany

Interests_

- Tennis: team captain and engaged in training youth players
- Chess
- Soccer
- Cooking
